ODORITE...

Aromatherapy and Odor-Control

Since 1934, Odorite has been the leader in developing odor control that is more effective, economical and longer-lasting than other brands' products. As the creator of PermaFresh Gels, Odorite has long provided fragrances that improve customer experience and now offers fragrances with aromatherapy benefits.

SEE PRODUCT CATALOG FOR FULL LINE OF PRODUCTS.

Aromatherapy Fragrance Gels

High-Performance Odor Control and Aromatherapy Benefits

The natural botanical oils provide aromatherapy benefits. When inhaled, the scents stimulate different areas of the brain to:

- Reduce stress and relax;
- Energize and increase energy level;
- Relieve headaches and boost oxygen levels;
- Improve mood.

Turn your surroundings into your own personal spa with Odorite Aromatherapy Gels while helping to control odors.

Odorite gels are World-Wise Certified and made with renewable resources.

PermaFresh Fragrance Gels

These high-performance gels are designed and tested for power and long-lasting benefits:

- More true fragrance delivery for a much better olfactory experience;
- Unique biodegradable formula is better for the environment;
- Longer lasting, even beyond the recommended 30 days.

All PermaFresh Gels are VOC-free (compliant in all US states) and are among the safest in the marketplace.

Create a lasting and pleasing environment anywhere odor control and aromatherapy are desired – offices, hotels, restaurants, retirement facilities, hospitals, schools, conference rooms, medical offices, cars and homes.

Aromatherapy Fragrances:

technology that's ahead of the rest

Aromatherapy Mobile Spa

This sleek, attractive table/desk top air freshening unit is portable enough to take anywhere. The Mobile Spa is only 4.5" tall and 3.5" wide and comes with a photo-electric eye to preserve battery life.

Small yet efficient, this unit can easily refresh a 150 square foot room with the fragrance of your choice. Quiet motor, powered by one D-Cell battery. A carbon/zinc 1.5 volt D-Cell battery will run Mobile Spa for 30+ days at full power and an Alkaline D-Cell will run it for up to 90 days. #KC500000

Aromatherapy Air Freshener

The contemporary cabinet design of this unit is perfect for hanging on walls. Measures 8" x 5" x 3". Long lasting motor will operate on a Carbon/Zinc 1.5 volt D-Cell battery for about 30 days, or a D-Cell Alkaline battery for up to 90 days. #KC4002090

Environmentally friendly products...

FLORATOM™

This powerful spray deodorant knocks down odors in any area. The active ingredients in FLORATOM™ actually help to eliminate the source of the odors and leave a fresh clean scent behind. Effective in offices, washrooms, hotels, locker rooms, health care facilities, or anywhere you want to freshen the air efficiently and effectively. Available in: California Orange, Rainier Cherry or Super Lemon.

#KC40608

#KC40607

#KC40613

Urinal Descaler and Deodorizing Screen

Utilizes our unique technology to control and eliminate build-up in lines caused by calcium carbonate, uric scale, lime and other mineral deposits. This slow-releasing block is safer in use and safer on lines than traditional liquid acids.

- Controls odors for up to 60 days;
- Non-para formula;
- Screen helps prevent debris from clogging drain;
- Fresh citrus floral scent;
- Safe for use in waterless urinals.

#KC4054810

Air Re-Fresh Natural HVAC Deodorizer:

Controls odors through the air handling system. Eliminate malodors in buildings and large areas with Air Re-Fresh Natural HVAC Deodorizer. Bio-based and fully biodegradable these deodorizing, gelled blocks absorb malodors, while releasing the fresh mint fragrance to move through the air handling system, providing aromatherapy benefits.

2 lb. #KC20335, 8 lb. #KC20335-1

that are efficient and effective

ODOR ATTACK

This bio-based product neutralizes odors by chemically bonding with odor causing gasses and destroying them. ODOR ATTACK stops odors from smoking, food, garbage, paint, animals, organic waste, mold and mildew. Just spray it in the air, on hard, water-safe surfaces, carpets, drapes, upholstery and other fabrics to put an end to odors.

Made with non-toxic, natural ingredients, World-Wise Certified and safe for use around animals.

#KC40229

ODOR-LOCK Drain Treatment

This biodegradable product floats on top of water, urine and other liquids to effectively lock sewer odors out. Also for use in waterless urinal cartridges to extend the life of the cartridge by replacing the original barrier liquid as it is spent. The unique formulation of this product also works to repel insects and rodents from the drains, while leaving behind a refreshing peppermint fragrance!

Made from all natural ingredients.

#KC40029

ODOR-FRESH INSECT BARRIER

This ready-to-use formulation is the perfect contact insecticide. The active ingredient also provides a refreshing peppermint fragrance. No one will know an insecticide has been sprayed, but they'll feel the aromatherapy benefits of the peppermint.

It's made from all natural, food grade ingredients and is World-Wise Certified making it safer in use and for our environment

#KC40249

ODOR-FRESH Deodorizing Repellant

Its refreshing peppermint fragrance will deodorize garbage cans, dumpsters, refuse dumps, stables, barns and sewage plants, while repelling insects and rodents that are drawn to feed and breed in those areas.

Its all natural formulation is World-Wise Certified and bio-based making it safer in use and for our environment.

Ferocious solutions . . .

Powerful and effective, every TIGER product is solution-designed for performance. They are better for the environment and ready to take on the toughest projects.

All our TIGER Products are also available in our private label program. If you want to begin promoting your company's brand or if you already have your own line of products, we can help.

SEE PRODUCT CATALOG FOR FULL LINE OF PRODUCTS.

Citrus-Oxide High Performance All-Purpose Cleaner/ Degreaser

Hydrogen peroxide base, orange oil fortified, hyper-concentrated cleaning formulation – must be diluted before use. Effectively removes soap scum and mold & mildew stains. Use on any water washable surfaces . . . floors, walls, sinks, toilets/urinals and in showers.

Ideal for:

- Tile/Grout • Carpet • Concrete
- Siding • Porcelain

#TT71212

Heavy-Duty Degreaser Concentrate

A safe, all-purpose cleaner for most industrial and institutional cleaning applications. Safe-to-use on rubber, plastic, concrete, all metals, most painted surfaces and shows little or no corrosion on copper, aluminum and steel.

Removes:

- Grease • Oil • Carbon • Ink • Wax
- Other stubborn soil

#TT25001

Super-Concentrated All-Purpose Neutral Cleaner

Multi-purpose degreaser cleaner can be used for most applications by varying the concentration and the application method. Near neutral pH. Safe for painted walls and finished floors.

Use on:

- Floors • Walls • Counters • Tabletops
- Windows • Chalkboards • Whiteboards • Mirrors
- Washrooms • Smoking lounges • Trash areas

#TT77701

for the toughest jobs.

Professional Strength Glass Cleaner

Ready-to-use spray-and-wipe cleaner cuts through tough soils like grease, smoke film and lipstick. Safe for use on all water-resistant hard surfaces.

Ideal for:

- Glass • Mirrors • Formica • Porcelain
- Ceramic • Vinyl • Stainless Steel

#TT41412

Active Clinging Descaler and Cleaner

Thick gell clings to vertical surfaces for added contact time to break through the toughest of scale and build-up. Safe for use on most acid-resistant hard surfaces, including tile & grout, glass, chrome, stainless steel, plastic and porcelain. Removes rust, lime, scale, uric acid and other deposits. Will not react with metal surfaces.

Use on:

- Toilets/Urinals • Whirlpools/Jacuzzi's
- Saunas • Counter Tops • Sinks & Tubs
- Sterilizing Equipment

#TT51712

Foaming Hand Soap

Provides a thick, rich foam that immediately starts to break down the soils on skin for faster, more thorough cleansing. Gentle on skin, while tough on dirt.

Available in Unscented (#TT70000), California Orange (#TT70400), Riviera Mulberry (#TT71604), and Cucumber Melon (#TT70640) scents.

Works with most commercial foaming soap dispensers that feature a refillable chamber or cartridge.

Clean 'N Walk No-Rinse Floor Cleaner

Provides a no-rinse solution, saving time for your staff and reducing water consumption – both of which add up to cost savings. The reduced slip additive provides added traction to flooring after the floor has dried, which helps prevent slipping accidents during the normal day.

Use on:

- Quarry Tile • Ceramic Tile • Porcelain Tile
- Cement Flooring • Linoleum

#TT06501

Call: 855-513-1314

TIGER Products has what you need

Heavy-Duty Cleaning Wipes

Convenient wipes quickly remove heavy grease and grime on equipment as well as your hands.

10"x12" moist towels.

Removes:

- Grease • Oils • Adhesives
- Ink • Lubricants • Tar

#TT62906

High-Gloss Protectant Wipes

Easy-to-use wipe cleans, protects, rejuvenates, seals and reconditions.

Made from all natural ingredients.

10"x12" moist towels.

Use on most hard surfaces:

- Formica • Marble • Granite
- Fiber Glass • Laminate • Plastic
- Rubber • Vinyl • Treated Leather
- Steel • Stainless Steel
- Metal and Painted Surfaces

#TT64006

Super-Zyme Cleaner and Drain Maintainer

Enzyme treatment for drain system maintenance and all-purpose cleaning. Specifically-targeted enzymes combine with fast-acting surfactants to cut through dirt, fats, oils and greases that build-up in lines. Minimizes clogs. Can be metered into drain system or added manually.

#TT55512

Fizzing Mold and Mildew Stain Remover

Only mold and mildew stain remover that is safe to use! Won't harm fabrics or plastics, and no harsh fumes. Just spray on and let the fizzing action go to work. Removes mold, mildew and other stains from showers, washrooms, kitchens, toilets, laundries, saunas, pools, steam rooms, locker rooms, basements and boiler rooms.

#TT39712

for all your cleaning needs.

Instant Spot and Stain Remover

A ready-to-use spot and stain remover is ideal for use on carpet, upholstery and laundry. Packaged in bulk or convenient pints with econo-caps.

Removes tough stains, including:

- Grass Stains • Wine • Coffee & Tea
- Betadine/Iodine • Blood • Mildew
- Cosmetics • Oil & Grease • Chocolate
- Washable Inks • Crayon • Food Stains
- Fruit Juices • Pet Stains & Urine
- Cosmetics • Ketchup

#TT23112

Deep Clean n' Shine Car Wash Concentrate:

Cleans bugs, dirt and bird droppings from vehicles to prolong the life of paint finishes. Concentrated for economy in use. High sudsing formula loosens and lifts dirt and soil to be rinsed away from vehicle surface. Formulation is safer in use and for the environment.

For use in:

- Police Departments • Bus Barns
- Fire Departments • Trucks and Private Fleets

#TT01201

Salt Neutralizer and Cleaner Concentrate

For vehicles, equipment and non-wood floors that are plagued by white salt residue or "ghosting" affects. Chemically breaks the bond that residue has with surfaces and reduces the effects of salt corrosion. Highly concentrated and economical. No rinsing necessary.

Perfect for:

- Entryways • Lobbies • Hallways • Elevators.

#TT22301

Concentrated Fleet and Equipment Cleaner/Degreaser

Removes the toughest soils from vehicles and equipment.

Use on:

- Cars • Trucks/Trailers • Tankers • Emergency Vehicles
- Cabs • Busses • Golf Carts • Farm Equipment • Airplanes
- Recreational Vehicles • People-movers • Forklifts
- Railway cars • Earth Moving • Heavy Equipment
